**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

This action is ridiculous and would be harmful to small businesses and private customers who already use and support their broadband providers. I get excellent service from SONIC and do not want to lose it. Whatever happened to anti-monopoly laws? This was a country where healthy competition has always been encouraged. I strongly oppose any changes to existing service.
